Tuition Assistance Application

Cottage Co-op is committed to providing an affordable preschool education for our families. To achieve this, we strive to offer financial aid to those families who may not otherwise be able to afford the preschool experience or who suffer a temporary financial emergency. Our ability to offer financial aid is dependent upon the financial resources available in our scholarship fund. Financial aid is awarded based on a review by the Financial Aid Committee and approved by the Board of Directors. Cottage Co-op will require at least a small monthly payment toward tuition.

All scholarship information, including names of applicants and all specific financial information, is confidential. Only the Director and Board Treasurer have access to personal tuition assistance and financial information.
